

TRUST IN TRANSPORTATION

COMPLETE CARRIER QUALIFICATION

Best Logistics together with SaferWatch combine to provide all around carrier assurance.
Transportation you can trust.

SaferWatch Carrier Risk Monitoring

When tendering loads to carriers, we don't just hand off your freight to the cheapest carrier out there. Best does an extensive carrier check by using the Safer Watch system.

The SaferWatch system mitigates risks and allows Best to qualify carriers based on our safety standards.

The SaferWatch system also provides Best with an efficient system to monitor our carriers Certificates of Insurance so we know what carriers are up to date and compliant with their insurance policies.
